This off-road beast is built for adventurers who want rugged capability with a bit of style. It has a 3.0L V6 turbo diesel engine pumping out 184kW and 600Nm of torque, plus a 10-speed automatic transmission and full-time 4WD to tackle any terrain. The Tremor spec adds Bilstein off-road dampers, a Rock Crawl drive mode, and 17-inch wheels with General Grabber all-terrain tyres. Inside, you'll find bespoke leather-accented seats with Tremor embossing and all the techy goodies like a 12-inch touchscreen with SYNC 4A. Bottom line: it's a tough, ready-for-everything SUV that's going to stand out both off-road and on city street

3500kg braked tow rating

Steel bash plate

Heavy duty steps

Command Grey exterior - exclusive to Tremor only

Statutory Write off from Australia, no structural damage or airbags deployed - impact with a Kangaroo that took the front bumper/grille/radiator etc out. All parts replaced with genuine Ford all bolt on bolt off. Pre repair images available on request to qualified purchasers.
